tom:  
Db (forma dos acordes no tom de Bb )  
Capostrate na 3ª casa

She packed my bags last night, pre-flight

Zero hour: 9:00 AM

And I'm gonna be hi-----gh

As a kite by then

I miss the Earth so much, I miss my wife

It's lonely out in space

On such a ti-----meless flight

And I think it's gonna be a long, long time

Till touchdown brings me 'round again to find

I'm not the man they think I am at home

Oh, no, no, no, I'm a rocket man

Rocket man burning out his fuse up here alone

And I think it's gonna be a long, long time

Till touchdown brings me 'round again to find

I'm not the man they think I am at home

Oh, no, no, no, I'm a rocket man

Rocket man burning out his fuse up here alone

Mars ain't the kind of place to raise your kids

In fact, it's cold as hell

And there's no one there to raise them

If you did

And all the science I don't understand

It's just my job five days a week

A rocket ma-----n

Rocket man

And I think it's gonna be a long, long time

Till touchdown brings me 'round again to find

I'm not the man they think I am at home

Oh, no, no, no, I'm a rocket man

Rocket man burning out his fuse up here alone

And I think it's gonna be a long, long time

Till touchdown brings me 'round again to find

I'm not the man they think I am at home

Oh, no, no, no, I'm a rocket man

Rocket man burning out his fuse up here alone

And I think it's gonna be a long, long time

And I think it's gonna be a long, long time

And I think it's gonna be a long, long time

And I think it's gonna be a long, long time

And I think it's gonna be a long, long time

And I think it's gonna be a long, long time

And I think it's gonna be a long, long time

And I think it's gonna be a long, long time
