

# Elton John - Runaway Train

Tom: G  
 Intro: Em Am C B7 Em  
 VERSE 1:  
 There's a hungry road I can only hope's  
 Gonna eat me up inside  
 There's a drifting spirit coming clean  
 In the eye of a lifelong fire  
 Tell Monday I'll be around next week  
 I'm running ahead of my days  
 In the shotgun chance that scattered us  
 I've seen the error of my ways  
 Oh oh oh, Oh oh oh  
 VERSE 2:  
 Well we've wrapped ourselves in golden crowns  
 Like sun gods spitting rain  
 Found a way home written on this map  
 Like red dye in my veins  
 In the hardest times that come around  
 The fear of losing grows

I've lost and seen the world shut down  
 It's a darkness no one knows  
 Oh oh oh, oh oh oh  
 CHORUS:  
 And I've poured out the pleasure and dealt with the pain  
 Standing in a station waiting in the rain  
 I'm starting to feel a little muscle again  
 But love is lost like a runaway train  
 Oh I'm out of control and out of my hands  
 I'm tearing like a demon through no man's land  
 Trying to get a grip on my life again  
 Nothing hits harder than a runaway train  
 SOLO: (as for verses)  
 CHORUS x2  
 OUTRO:  
 repeat to fade
