

# Elton John - Simple Life

Tom: E  
Intro: G E G D A A  
G E G D A

VERSE 1:  
E  
There's a breakdown on the runway, And the timeless flights are gone

I'm a year ahead of myself these days, And I'm locomotive strong

My city spread like cannon fire In a yellow nervous state

I can't cut the ties that bind me To horoscopes and fate  
CHORUS:

And I won't break and I won't bend

But someday soon we'll sail away

To innocence and the bitter end

And I won't break and I won't bend

And with the last breath we ever take

We're gonna get back to the simple life again  
BRIDGE:

G E G D A A  
G E G D A

VERSE 2:  
When we break out of this blindfold I'm gonna take you from this place  
Until we're free from this ball and chain I'm still hard behind the eight  
My city beats like hammered steel On a shallow cruel rock  
If we could walk proud after midnight We'd never have to stop
