

# Elton John - Skyline pigeon

Tom: D

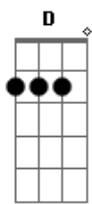

Turn me loose<sup>D</sup>  
 From your hands<sup>A</sup>  
 Let me fly<sup>G A</sup>  
 To distant lands<sup>D</sup>  
 Over green fields<sup>E</sup>  
 Trees and mountains<sup>G</sup>  
 Flowers and forest fountains<sup>D A D</sup>  
 Home along the lanes of the skyway<sup>G A D</sup>  
 For this dark<sup>D</sup>  
 And lonely room<sup>A</sup>  
 Projects a shadow<sup>G A</sup>  
 Castin in gloom<sup>D</sup>  
 And my eyes are mirrors<sup>E</sup>  
 Of the world outside<sup>G</sup>  
 Thinking of the way<sup>D</sup>  
 That the wind can turn the tide<sup>A D</sup>  
 And these shadows turn<sup>G</sup>  
 From purple into grey<sup>A D</sup>  
 Pré-refrão:  
 For just a skyline pigeon<sup>G</sup>  
 Dreaming of the open<sup>A</sup>  
 D

Waiting for the day<sup>G</sup>  
 He can spread his wings<sup>A D</sup>  
 And fly away again<sup>D</sup>  
 Refrão:  
 Fly away<sup>Bm</sup>  
 Skyline pigeon fly<sup>Db7 Gbm</sup>  
 Towards the dreams you've left so<sup>G</sup>  
 Very far behind<sup>A D</sup>

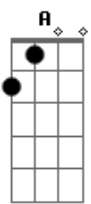

(Refrão)  
 Let me wake up in the morning<sup>D</sup>  
 To the smell of new mown hay<sup>A</sup>  
 To laugh and cry<sup>G</sup>  
 To live and die<sup>A</sup>  
 In the brightness of my day<sup>D</sup>  
 I want to hear the peeling bells<sup>E</sup>  
 Of distant churches sing<sup>G</sup>  
 But most of all please free<sup>D</sup>  
 Me from this aching metal ring<sup>A D</sup>  
 And open out this cage towards the sun<sup>G A D</sup>

(Pré-Refrão)  
 (Refrão 2x)  
 Final: D A Bm A G A A D
