

# Elton John - Suzie (dramas)

Tom: **D**

I got <sup>**D**</sup> frostbitten in the winter  
<sup>**G**</sup> Ice skating on the river  
<sup>**Em**</sup> With my pretty little black-eyed girl  
<sup>**A**</sup> She'd make your darn toes curl just to see her  
<sup>**D**</sup> I got a fringe front on my buggy  
<sup>**G**</sup> I got a frisky little colt in a hurry  
<sup>**Em**</sup> And a pretty little black-eyed <sup>**A**</sup> Suzie <sup>**G**</sup> by <sup>**D**</sup> my side

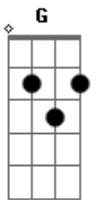

**D**

Well she sure knows how to use me  
<sup>**G**</sup> Pretty little black-eyed Suzie  
<sup>**A**</sup> Playing hooky with my <sup>**G**</sup> heart all the <sup>**D**</sup> time  
 Living with her funky family  
<sup>**G**</sup> In a derelict old alley  
<sup>**A**</sup> Down by the river where we share a little loving in the <sup>**G**</sup> <sup>**F**</sup> <sup>**C**</sup> moonshine  
 I'm an old hayseed harp player  
 I'm the hit of the county fair  
 With my pretty little black-eyed girl  
 Living proof as she swirls  
 She's a dancer
