

# Elton John - Suzie (dramas)

Tom: D

I got frostbitten in the winter  
Ice skating on the river  
With my pretty little black-eyed girl  
She'd make your darn toes curl just to see her

I got a fringe front on my buggy  
I got a frisky little colt in a hurry  
And a pretty little black-eyed Suzie by my side

D

Well she sure knows how to use me  
Pretty little black-eyed Suzie  
Playing hooky with my heart all the time

Living with her funky family  
In a derelict old alley  
Down by the river where we share a little loving in the moonshine

I'm an old hayseed harp player  
I'm the hit of the county fair  
With my pretty little black-eyed girl  
Living proof as she swirls  
She's a dancer
