

# Elton John - Sweet painted lady

Tom: C

I'm back on dry land once again

Opportunity awaits me like a rat in the drain

We're all hunting honey with money to burn

Just a short time to show you the tricks that we've learned

If the boys all behave themselves here

Well there's pretty young ladies and beer in the rear

You won't need a gutter to sleep in tonight

Oh the prices I charge here will see you alright

So she lays down beside me again

My sweet painted lady, the one with no name

Many have used her and many still do

There's a place in the world for a woman like you

Oh sweet painted lady

Seems it's always been the same

Getting paid for being laid

G Am  
Guess that's the name of the game
