Tom: **Db**
Intro: **D Gb Ab Ab Bbm Gb Db Ab**

Db **Gb**
I've seen the bridge and the bridge is long
Ab **Gb**
And they built it high and they built it strong
Bbm **Ebm**
Strong enough to hold the weight of time
Db **Ab**
Long enough to leave some of us behind

chorus:

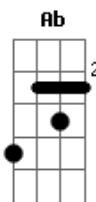

Bbm **Ebm**
And every one of us has to face that day
Ab **Fm**
Do you cross the bridge or do you fade away
Gb **Gbm**
And every one of us that ever came to play
Db **Ab** **Db**
Has to cross the bridge or fade a way

(**Gb**) **Db** **Gb**
Standing on the bridge looking at the waves
Ab **Gb**
Seen so many jump, never seen one saved
Bbm **Ebm**
On a distant beach your song can die
Db **Ab**
On a bitter wind, on a cruel tide

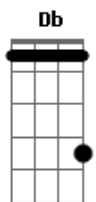

(chorus)

And the bridge it shines

Oh cold hard iron
Ebm
Saying come and risk it all
Db **Ab**
Or die trying
