C C  
 We bet on our lives and we bet on the horses

F  
 In that upstairs apartment

C  
 On Orlando and 4th

G Am C  
 And the rent was due and the rent man was knocking

F  
 Like a Chinese proverb  
 C C C G F  
 We were al- ways searching

C C  
 Nightlife's a no-win but nobody noticed

F  
 How we killed off the bottles

C  
 Looking good on the surface

G Am C  
 The dog days barked and the house cat got old

F  
 We were Bonnie and Clyde

C G C F C  
 In the emperor's new clothes

Am  
 And the tears never came

G  
 They just stayed in our eyes

F F C C G  
 We refused to admit that we wore this disguise

Am  
 Every inch of us growing

Gm  
 Like Pinocchio's nose

A A Dm C Dm C C F C  
 As we walked around in the em-per-or's new clothes

melody: A G E C G D C A F C

chords: C Dm C G G

 chords: C Bb Bb F F F

C C  
 We flew by our wits and by the seat of our pants

F  
 In the state of illusion

C  
 In the nation of chance

G Am C  
 And the repo was hauling the wreck we'd been driving

F  
 As the dashboard Madonna

C G  
 Smiled back at us kindly

C C  
 We cheated the system never batting an eyelid

F  
 Seeing only the good

C  
 Through the holes in our shoes

G Am C  
 And our halos were rusty but we wore them proudly

F  
 We were two little gods

C G C F C  
 In the emperor's new clothes
