

Elton Medeiros - Estrela

Tom: D

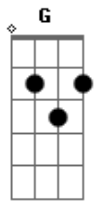

Fala por mim violão ^{D7M} ^{G7M}
 Chama pra roda o surdo e o tamborim ^{D7M} ^{Dbm7}
 Decifra o recado ^{Gb7}
 Que trago no coração ^{Bm7}
 Que o samba sabe pr'onde vou ^{Em7}
 E porque vim ^{A7} ^{D7M}
 Eu sou assim
 Um pouco de morro ^{G7M}
 Outro tanto cidade sim ^{D7M} ^{Dbm7}
 A madrugada deixou prateada cor ^{Gb7} ^{Bm7}
 Pintar meus cabelos na noite, enfim ^{Em7} ^{A7} ^D ^F
 O samba é uma estrela ^{Em7}
 Que a névoa escondeu ^{A7} ^D ^F

^{Em7} ^{A7}
 Mas o seu calor ilumina
^{D7}
 O céu
^G ^{Gm}
 Sou tão somente
^D
 Um pedaço de lua
^F
 Que reflete o samba
^{Em7}
 Pro povo da rua
^{A7} ^{D7}
 Beber a ilusão
 E dançar alegria
^G ^{Gm}
 Deixa essa estrela
^D
 Brilhar livremente
^F
 E verá pulsação
^{Em7}
 Desse samba latente
^{A7} ^{D7M/9}
 Incendiar o dia
 (Fala por mim)
