

# Elton Medeiros - Estrela

Tom: D

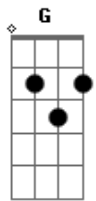

Fala por mim violão <sup>D7M</sup> <sup>G7M</sup>  
 Chama pra roda o surdo e o tamborim <sup>D7M</sup> <sup>Dbm7</sup>  
 Decifra o recado <sup>Gb7</sup>  
 Que trago no coração <sup>Bm7</sup>  
 Que o samba sabe pr'onde vou <sup>Em7</sup>  
 E porque vim <sup>A7</sup> <sup>D7M</sup>  
 Eu sou assim  
 Um pouco de morro <sup>G7M</sup>  
 Outro tanto cidade sim <sup>D7M</sup> <sup>Dbm7</sup>  
 A madrugada deixou prateada cor <sup>Gb7</sup> <sup>Bm7</sup>  
 Pintar meus cabelos na noite, enfim <sup>Em7</sup> <sup>A7</sup> <sup>D</sup> <sup>F</sup>  
 O samba é uma estrela <sup>Em7</sup>  
 Que a névoa escondeu <sup>A7</sup> <sup>D</sup> <sup>F</sup>

<sup>Em7</sup> <sup>A7</sup>  
 Mas o seu calor ilumina  
<sup>D7</sup>  
 O céu  
<sup>G</sup> <sup>Gm</sup>  
 Sou tão somente  
<sup>D</sup>  
 Um pedaço de lua  
<sup>F</sup>  
 Que reflete o samba  
<sup>Em7</sup>  
 Pro povo da rua  
<sup>A7</sup> <sup>D7</sup>  
 Beber a ilusão  
 E dançar alegria  
<sup>G</sup> <sup>Gm</sup>  
 Deixa essa estrela  
<sup>D</sup>  
 Brilhar livremente  
<sup>F</sup>  
 E verá pulsação  
<sup>Em7</sup>  
 Desse samba latente  
<sup>A7</sup> <sup>D7M/9</sup>  
 Incendiar o dia  
 (Fala por mim)
