

Elton Medeiros - Sofreguidão

tom:

Am

Am F

A sofreguidão

Porque passei fez-me reconhecer

Que o teu amor foi grande amor

Não vacilo em dizer, não, não

Tudo o que sofri e que vivi

Depois que te deixei

Causou-me um mal confortador

Sentir as dores que senti

Por teu amor

Causou-me um mal confortador

Sentir as dores que senti

Por teu amor

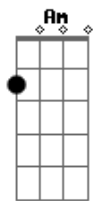

Procurei viver, novas emoções

Talvez animado pela vaidade

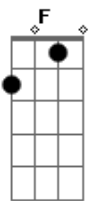

De fazer sofrer outros corações

E bati na porta da infelicidade
