[Verse 1]

Against the waves, with our swords in our hands

Against the sea, with our backs to the walls

Against distress, in the presence of our enemies

Against the storms, roaring at our faces

A cry rang out throughout the skies

A beckon, the flight of the cranes

[Chorus]

The call of the mountains ? wohhohooo ? wohhohooo

The call of the Alps

The call home ? wohhohooo ? wohhohooo

The tune in our hearts

The song of the mountains F C G (Flutes)

[Verse 2]

What's that stir, so blatant in our sallying hearts?

What's that urge, that lifted up our longing eyes?

What's that ring, echoing from the leaden skies?

What's that augur, resounding from the lyre's strings?

A cry rang out in the sibilant winds

A behest, the outcry of the cranes

[Chorus]

The call of the mountains ? wohhohooo ? wohhohooo

The call of the Alps

The call home ? wohhohooo ? wohhohooo

The tune in our hearts

The song of the mountains
