Intro: riff

A
Who dries your eyes when you cry real tears?
Who knows or cares what an imitation is? **G** **A** riff
Only you do
You can paint his nails
Make him wear high heels
G **A** riff
Why waste time altering the hemline?
Or do you?

E7
Tear off your own head
A
Tear off your own head
D **Bm** **A** riff
It's a doll revolution

You can bat your lashes
You can cut your strings
You can pull his hair with your moveable fingers
It looks so real
If one won't do it, so collect the set
Dress him in pink ribbons
Put him in a kitchenette
How does this feel?

Tear off your own head
Tear off your own head
It's a doll revolution

D
What's that sound?
A
It will turn you around
E7
It's a doll revolution
D
They're taking over
A
And they're tearing it down
E7 **A** (riff)
It's a doll revolution

You can pull and pinch him
'Till he cries and squeals
You can twist his body 'til it faces backwards
Those plastic features
You could make somebody a precious little wife
But don't let anybody tell you how to live your life
Broken pieces

Tear off your own head
Tear off your own head
It's a doll revolution
Tear off your own head
Tear off your own head
It's a doll revolution (riff until the end)
Tear off your own head
Revolution
