

# Elvis Presley - A Hundred Years From Now

Tom: C

Well a hundred years from now I won't be crying  
 A hundred years from now I won't be blue  
 My heart will have to forget that we ever met

But I won't care a hundred years from now

I'll never forget sweetheart the night you told me  
 That you could Live without my love somehow  
 That's all in the past I knew it wouldn't last  
 But I won't care a hundred years from now
