

Elvis Presley - A Hundred Years From Now

Tom: C

Well a hundred years from now I won't be crying
 A hundred years from now I won't be blue
 My heart will have to forget that we ever met

But I won't care a hundred years from now

I'll never forget sweetheart the night you told me
 That you could Live without my love somehow
 That's all in the past I knew it wouldn't last
 But I won't care a hundred years from now
