Tom: C

I could [Cride around the world in an old oxcart
 And [Cnever let another girl thrill my heart
 Ain't that [Floving you baby? Ain't that [Cloving you baby?
 Ain't that [Gloving you baby? [FAin't that loving you so?

I could [Cmeet a hundred girls and have loads of fun
 My [Chuggin' and my kissin' belong to just one
 Ain't that [Floving you baby? Ain't that [Cloving you baby?

Ain't that [Gloving you baby? [FAin't that loving you so?

If you [Cgave me nine lives like a tommy cat
 I'd [Cgive 'em all to you and never take one back
 Ain't that [Floving you baby? Ain't that [Cloving you baby?
 Ain't that [Gloving you baby? [FAin't that loving you so?

I'm putting [Con my Sunday suit and I'm goin' downtown
 But I'll be [Ckissin' your lips before the sun goes down
 Ain't that [Floving you baby? Ain't that [Cloving you baby?
 Ain't that [Gloving you baby? [FAin't that loving you so?
 Ain't that [Gloving you baby? [FAin't that loving you [C]so?
