Elvis Presley - Aint That You Loving Baby

Tom: C

```
   C7
I could ride around the world in an old oxcart
    C7
And never let another girl thrill my heart
           F7                        C7
Ain't that loving you baby? Ain't that loving you baby?
           G7              F7
Ain't that loving you baby? Ain't that loving you so?

        C7
I could meet a hundred girls and have loads of fun
   C7
My huggin' and my kissin' belong to just one
           F7                        C7
Ain't that loving you baby? Ain't that loving you baby?
           G7              F7
Ain't that loving you baby? Ain't that loving you so?

       C7
If you gave me nine lives like a tommy cat
    C7
I'd give 'em all to you and never take one back
           F7                        C7
Ain't that loving you baby? Ain't that loving you baby?
           G7              F7
Ain't that loving you baby? Ain't that loving you so?

            C7
I'm putting on my Sunday suit and I'm goin' downtown
           C7
But I'll be kissin' your lips before the sun goes down
           F7                        C7
Ain't that loving you baby? Ain't that loving you baby?
           G7              F7
Ain't that loving you baby? Ain't that loving you so?
           G7              F7                  C
Ain't that loving you baby? Ain't that loving you so?
