

Elvis Presley - Bringing It Back

Tom: F

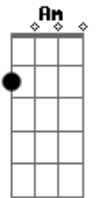

If I can never see you, if I can never hold you
 If I can never touch your face or feel your warm embrace
 I still remember talkin', I still remember laughin'
 I still remember lovin' you a lot and just touchin' you
 You know I've not forgot, cause everything is just
 Bringin' it back, you know it's just bringin' it back
 A familiar face, a familiar place just brings it all back
 Everything's bringin' it back, good songs bringin' it back

Even after so much time, everything's bringin' it back
 Thinkin' in my solitude, wonderin' about your attitude
 Thinkin' maybe that your love has died
 There it is, I can see it in your eyes
 A look of sweet surrender, a touch of too much sadness
 'Cause I've hurt you so, you know your sorrow shows
 You just can't stay, but you can't let go
 Bringin' it back, you know it's just bringin' it back
 A familiar face, a familiar place just brings it all back
 Everything's bringin' it back, good songs bringin' it back
 Even after so much time, everything's bringin' it back
