

# Elvis Presley - Charro

Tom: F

With eyes that hide the man within <sup>Am Bb</sup>  
 You see behind the eyes of, other men <sup>Am Bb</sup>  
 You've lived and died and come to life again <sup>Am Em Em Em</sup>  
 And now you stand alone at the crossroads of your mind <sup>Em Am F</sup>  
 You've left your yesterdays behind.. <sup>Dm</sup>  
 But which road leads you to tomorrow? <sup>Bb C</sup>  
 Charro... <sup>D Am Bb</sup>

You've turned your back on yesterday <sup>Am Bb</sup>  
 Betrayed a man who swore he'd make you pay <sup>Am Bb</sup>  
 For when you left you took his pride away <sup>Am Em Em Em</sup>  
 You know he'll never let you break away so easily <sup>Em Am F</sup>  
 You'll have to fight, before you're free <sup>Dm</sup>  
 But how much more time can you borrow? <sup>Bb C</sup>

Charro... <sup>D Am Bb</sup>  
 Now in a single moment your past grows dim <sup>Dm A7</sup>  
 One thought goes racing across your mind <sup>Dm</sup>  
 You ride to meet the woman you stole from him <sup>D7 Gm</sup>  
 Oh no!...Charro don't go!... <sup>E7</sup>  
 Charro don't go!!... <sup>Am Bb (No 5) Am Bb (No 5)</sup>  
 There's something hanging, in the wind <sup>Am Bb</sup>  
 Your past is catching up and closing in <sup>Am Bb</sup>  
 You've been halfway to hell and back again <sup>Am Em Em Em</sup>  
 And now you laugh in the devil's face <sup>Em Am</sup>  
 with your last breath... <sup>F</sup>  
 You'll run a race with life and death... <sup>Dm</sup>  
 But will you live to see tomorrow? <sup>Bb C</sup>  
 Charro... <sup>D Am Bb</sup>

## Acordes

Diagrams for the following chords: Em, F, Am, Bb, Dm, C, D, A7, D7, Gm, and E7. Each diagram shows the fretting pattern on a four-string ukulele.
