If you are playing the Guitar 1 part, the rest of the song is very easy to play..... Chords used:

Gtr 1 play something like the intro...

Had a dream about you baby, had a dream about me and you

Had a dream and woke up crying

Well I can roll but I just can't rock

And the time's going by, tick-tock

For the heart, I just can't love no-one but you

Well I'm high and dry and lonely, I'm as lonely as can be

And I stare out of my window
 Well I can play but I just can't win
 And the weather's looking dim
 For the heart, I just can't love no-one but you
 For the heart
 For the heart
 For the heart, I just can't love no-one but you
 For the heart
 For the heart
 For the heart, I just can't love no-one but you
 Had a dream about you baby, had a dream about me and you
 Had a dream and woke up crying
 Well I can roll but I just can't rock
 And the time's going by, tick-tock
 For the heart, I just can't love no-one but you
 For the heart
 For the heart
 For the heart, I just can't love no-one but you
 For the heart
 For the heart
 For the heart, I just can't love no-one but you
 Well, for the heart
 For the heart
 For the heart, I just can't love no-one but you
 Yes, for the heart
 For the heart
 For the heart, I just can't love no-one but you
