

Elvis Presley - Girl Of Mine

Tom: A

A E
When your asleep beside me, I watch you lying there

A A
Your hand upon the pillow and moonlight in your hair

A7 D
I get the warmest feeling, so good I almost cry

Dm A E A
I kiss your sleeping lips and say I'll love you 'till I die

A7M
Oh girl of mine you make my day

A7 D D D
One sunny smile and all the clouds just roll away

Dm A E
Eyes deep as the sea seem to say to me

Our love will always be

E7 A A7M
So girl of mine turn out the light

A7 D
And in my arms together we'll make sweet love tonight

Dm A E
Down life's golden road and you'll always know

A

I love you ... girl of mine

A E
Sometimes I know I hurt you when things ain't goin' right

A
I walk away and leave you to face the lonely night

A7 D
I wouldn't blame you darlin' if you walked out on me

Dm A E A
But I return to find you there still waiting patiently

A7M
Oh girl of mine you make my day

A7 D D D
One sunny smile and all the clouds just roll away

Dm A E
Eyes deep as the sea seem to say to me

Our love will always be

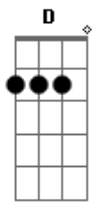

E7 A A7M
So girl of mine turn out the light

A7 D
And in my arms together we'll make sweet love tonight

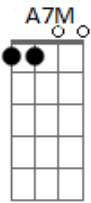

Dm A E
Down life's golden road and you'll always know

A
I love you ... girl of mine
