

Elvis Presley - Girl Of Mine

Tom: A

A
When your asleep beside me, I watch you lying there E
Your hand upon the pillow and moonlight in your hair A
I get the warmest feeling, so good I almost cry A7 D
Dm A E A
I kiss your sleeping lips and say I'll love you 'till I die
Oh girl of mine you make my day A
One sunny smile and all the clouds just roll away D D D
Dm A E
Eyes deep as the sea seem to say to me
Our love will always be E7 A A
So girl of mine turn out the light A7
And in my arms together we'll make sweet love tonight D
Dm A E
Down life's golden road and you'll always know A

I love you ... girl of mine A
Sometimes I know I hurt you when things ain't goin' right E
I walk away and leave you to face the lonely night A
I wouldn't blame you darlin' if you walked out on me A7 D
Dm A E A
But I return to find you there still waiting patiently
Oh girl of mine you make my day A
One sunny smile and all the clouds just roll away D D D
Dm A E
Eyes deep as the sea seem to say to me
Our love will always be E7 A A
So girl of mine turn out the light A7 D
And in my arms together we'll make sweet love tonight Dm A E
Down life's golden road and you'll always know A
I love you ... girl of mine
