```
   A7                  D
Shackled by a heavy burden
A7                        D
Neath a load of guilt and shame
G                         D
Then the hand of jesus touched me
A7                        D   G  D  G
Now i am no longer the same

He touched me
   A7                 D
He touched me, oh he touched me
```

```
    G      D                  Em A7
And oh the joy that floods my soul
D          A7            D     G
Something happened and now i know
   D               A7      D    G
He touched me and made me whole

A7                          D
Since i met the blessed savior
 A7                         D
Since he cleansed and made me whole
 A7                         D
I will never cease to praise him

I'll shout it while eternity rolls
