

Elvis Presley - Hearts Of Stone

Tom: C

Hearts made of F stone will never brake
 'Cause your love is never there, they just don't Care
 You Can ask and plea, please, please, please work
 And all your love is there to stay

 These hearts of F stone will Cause you pain
 Although you love there has stopped just the same

You Can ask and plea, please, please, please work
 And all your love is there to stay
 But they'll say no, no, no, no, no, no, no, no, no, no, no, no, no, no, no, no, no
 You daddy know, I thought I knew hearts made of F stone
 Hearts made of F stone will never brake
 'Cause your love is never there, they just don't Care
 You Can ask and plea, please, please, please work
 And all your love is there to stay
 Cause they'll say no, no, no, no, no, no, no, no, no, no, no, no, no, no, no, no, no
 You daddy know, I thought I knew hearts made of F stone
