

Elvis Presley - Help Me

Tom: D
Intro: D D D D

D Lord, help me walk another mile... just one more mile
A I'm tired of walking all alone
D Lord, help me smile another smile... just one more smile
A I know, I just can't make it, on my own
CHORUS:
G I never thought I needed help before
A I thought that I could do things by myself
G Now I know I just can't take it anymore

A [tacet]
With a humble heart, on bended knee, I'm begging you
please
D Help me
Come down from your golden throne to me, lonely me
I need to feel the touch of your tender hand
Remove the chains of darkness and let me see, Lord, let
me see
Just where I fit into your master plan.
