

Elvis Presley - Help Me

Tom: D
 Intro: D D D D
 D Lord, help me walk another mile... just one more mile
 A I'm tired of walking all alone
 D Lord, help me smile another smile... just one more smile
 A I know, I just can't make it, on my own
 CHORUS:
 G I never thought I needed help before
 A I thought that I could do things by myself
 G Now I know I just can't take it anymore

A [tacet]
 With a humble heart, on bended knee, I'm begging you
 please
 D Help me
 Come down from your golden throne to me, lonely me
 I need to feel the tough of your tender hand
 Remove the chains of darkness and let me see, Lord, let
 me see
 Just where I fit into your master plan.
