 D Lord, help me walk another mile... just one more mile

 CHORUS:  
 G I never thought I needed help before  
 A I thought that I could do things by myself  
 G Now I know I just can't take it anymore

A [tacet]  
 With a humble heart, on bended knee, I'm begging you  
 please  
 D Help me  
 Come down from your golden throne to me, lonely me  
 I need to feel the tough of your tender hand  
 Remove the chains of darkness and let me see, Lord, let  
 me see  
 Just where I fit into your master plan.
