

Elvis Presley - Holly Leaves And Christmas Trees

Tom: C

C Dm
 Somewhere in, in the distant night
 G C
 I hear Christmas bells
 Am Dm F
 The gentle snow keeps falling down on people
 C
 Who are homeward bound

 C Dm
 That's the way it's always been
 G C
 The circle never really never ends
 Am Dm
 Christmas seems to come and go
 F C
 From the place that I don't know

G C
 Holly leaves and Christmas trees
 G C
 It's that time of year

 Am Em
 Lights aglow and mistletoe
 F G
 Don't mean a thing when you're not here
 C Dm
 As I walk, walk this lonely street
 G C
 The sound of snow beneath my feet
 Am Dm
 I'll think of how how it used to be
 G C
 Holly leaves and Christmas trees
 G C
 Use to mean so much to me
