

Elvis Presley - Holly Leaves And Christmas Trees

Tom: C

Somewhere in, in the distant night
 I hear Christmas bells
 The gentle snow keeps falling down on people
 Who are homeward bound
 That's the way it's always been
 The circle never really never ends
 Christmas seems to come and go
 From the place that I don't know

Holly leaves and Christmas trees
 It's that time of year
 Lights aglow and mistletoe
 Don't mean a thing when you're not here
 As I walk, walk this lonely street
 The sound of snow beneath my feet
 I'll think of how how it used to be
 Holly leaves and Christmas trees
 Use to mean so much to me
