

# Elvis Presley - I Beg of You

Tom: C

I don't [C]want my heart to be broken, 'cause it's the only one I've [C]got.  
 So, [F]darling please be careful, you [C]know I care a lot.  
 Darling, [G]please don't break my [F]heart, I beg of [C]you.

I don't [C]want no tears a-falling, you know I hate to [C]cry.  
 But [C]that's what's bound to happen, if you [C]ever say goodbye.

Darling, [G]please don't say good[F]bye, I beg of [C]you.[C]

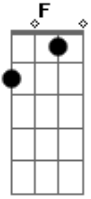

[F]Hold my hand and promise that you'll [C]always love me true.  
 [F]Make me know you'll love me the [D]same way I love you little girl.

[G7sus4]You[C]got me at your mercy, now that I'm in love with [C]you,  
 So [F]please don't take advantage, 'cause you [C]know my love is true,  
 My darling, [G]please please love me [F]too, I beg of [C]you.
