

Elvis Presley - I Just Can't Help Believing

tom:

Intro: E A E E
A E A

I just can't help believin'

When she smiles up soft and gentle

With a trace of misty morning

And the promise of tomorrow in her eyes

I just can't help believin'

When she's lying close beside me

And my heart beats with the rhythm of her sighs

This time the girl is gonna stay

This time the girl is gonna stay

This time the girl is gonna stay

For more than just a day

Oh I just can't help believin'

When she slips her hand in my hand

And it feels so small and helpless

And my fingers fold around it like a glove

And I just can't help believin'

When she's whispering her magic

And her tears are shining honey sweet with love

This time the girl is gonna stay

This time the girl is gonna stay

For more than just a day
