

Elvis Presley - I love you because

Tom: **C**

I [C]love you because you [C]under[F]stand, dear,
 [C]ev'ry single thing I try to [G]do.
 You're [C]always there to lend a [C]helping [F]hand, dear,
 I [C]love you most of [G]all because you're [C]you.[F][C]

[C]No [F]matter what the world may say a[C]dim]bout [C]me,
 I [D]know your love will always see me [G]through.
 I [C]love you for the way you [C]never [F]doubt me,

but [C]most of all I [G]love you 'cause you're [C]you.[F][C]

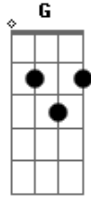

I [C]love you because my [C]heart is [F]lighter,
 [C]ev'ry time I'm walking by your [G]side.
 I [C]love you because the [C]future's [F]brighter.
 The [C]door to happi[G]ness you open [C]wide.[F][C]

[C]No [F]matter what may be the style or [C]dim]sea[C]son,
 I [D]know your heart will always be [G]true.
 I [C]love you for a hundred [C]thousand [F]reasons,
 but [C]most of all I [G]love you 'cause you're [C]you.[F][C]
