

Elvis Presley - I Miss You

tom:

Intro: E B Dbm B

E
Still I recall all the good times together
The love we shared, the fun and the laughter
How I wish you could feel what my heart says tonight dear
I miss you and I wish you were here

E
Dreams that I had they lay broken in sorrow
The plans I made, my hopes for tomorrow

If I could I would tell you I'm lonesome tonight dear
Oh I miss you and I wish you were here

F
All through the night I will see memories passing
The way you looked, the sound of your laughing
How I long for the touch of your hand holding mine dear
Oh I miss you and I wish you were here

Bb
Lord
I miss you and I wish you were here
