

Elvis Presley - I want to be free

Tom: F
 Intro: F C F C
 There's no joy in my heart, only sorrow
 And I'm sad as a man can be
 I sit alone in the darkness of my lonely room
 And this room is a prison to me
 [Chorus]
 I look at my window and what to do I see

I see a bird way up in a tree
 I want to be free free free - ee - ee - ee
 I want to be free like a bird in a tree
 Oh, what good are my eyes, they can't see you
 And my arms, they can't hold you so tight
 I have two lips that are yearning, but they're no good to me
 Cause I know I can't kiss you tonight

Acordes
