

Elvis Presley - I'll Hold You In My Heart

Tom: G

Standard tuning.

I said I'd hold, I said I'd hold,
 I said I'd hold you in my heart 'till I can hold you in my arms
 Like you've never been held before
 Well I'll think of you each day and then I'll dream the night away
 Oh, 'till you are in my arms once more
 The stars up in the sky, you know they know the reason why
 I feel so blue 'cause I'm away from you
 Yeah I'll hold you in my heart 'till I can hold you in my arms
 Oh darling please wait for me
 You know the stars up in the sky, you know they know the reason why

I feel so blue 'cause I'm away, I'm away from you
 Yeah I'll hold you in my heart 'till I can hold you in my arms
 Oh darling please wait for me
 The stars up in the sky you know they know the reason why...
 I feel so blue 'cause I'm away, I'm away, I'm away, I'm away from you
 I said, I said I'd hold you in my heart, heart, heart 'till I can hold you in my arms
 Oh darling please wait for me
 The stars up in the sky, you know they know the reason why
 I, I feel so blue 'cause I'm away, I'm away from you
 Yeah, I'll hold you in my heart 'till I can hold you in my arms
 Oh darling please wait for me
