

# Elvis Presley - I'll Hold You In My Heart

Tom: G

Standard tuning.

I said I'd hold, I said I'd hold,  
 I said I'd hold you in my heart 'till I can hold you in my arms  
 Like you've never been held before  
 Well I'll think of you each day and then I'll dream the night away  
 Oh, 'till you are in my arms once more  
 The stars up in the sky, you know they know the reason why  
 I feel so blue 'cause I'm away from you  
 Yeah I'll hold you in my heart 'till I can hold you in my arms  
 Oh darling please wait for me  
 You know the stars up in the sky, you know they know the reason why

I feel so blue 'cause I'm away, I'm away from you  
 Yeah I'll hold you in my heart 'till I can hold you in my arms  
 Oh darling please wait for me  
 The stars up in the sky you know they know the reason why...  
 I feel so blue 'cause I'm away, I'm away, I'm away, I'm away from you  
 I said, I said I'd hold you in my heart, heart, heart 'till I can hold you in my arms  
 Oh darling please wait for me  
 The stars up in the sky, you know they know the reason why  
 I, I feel so blue 'cause I'm away, I'm away from you  
 Yeah, I'll hold you in my heart 'till I can hold you in my arms  
 Oh darling please wait for me
