

Elvis Presley - I'm Counting On You

Tom: D

Standard tuning.

Intro: -- riff 1 -

[NC] All the words that I let her know
 Still could not say
 How much I need you so in every way
 [NC] I hope you will guide me
 As only you can do
 Hold my hands down beside me (Riff 1)
 I'm counting on you
 I'm counting on you dear
 From the dawn of each day

To always come through dear
 In your kind lovin' way
 [NC] If you knew just how deeply
 I feel things you do (Riff 1)
 Then you know how completely
 I'm counting on you
 I'm counting on you dear
 Around the dawn of each day
 To always come true, dear
 In your kind lovin' way
 [NC] If you knew just how deeply
 I feel things you do (Riff 1)
 Then you know how completely
