

# Elvis Presley - In Your Arms

Tom: **G**

Oh, oh, the (**G**) way that I feel tonight, you better (**C**)  
 wrap me up good and tight (**G**)  
 In your (**D7**) arms  
 In your (**G**) arms (**C7**) (**G**)

Just like a bee in a honey comb, I'm gonna make myself right  
 at home  
 In your (**D7**) arms

In your (**G**) arms (**C7**) (**G**)

Well, it (**C**) don't take much to keep me satisfied  
 Just a (**G**) little bit of lovin' that's bonnafide  
 In your (**am**) arms keep me tangled up all the time  
 Just like a (**D7**) kitten with a ball of twine  
 Yeah baby that's where I want to stay, for the rest of my  
 natural days  
 In your arms  
 in your arms

## Acordes
