

Elvis Presley - It won't seem like Christmas (Without you)

Tom: A
Intro: E Gbm Abm

Oh, it won't seem like Christmas, oh, without you
 Far too many miles are between
 But if I get the one thing I'm waiting for
 Well then I'll see you tonight in my dreams
 Seems a long time since we've been together
 It was just about to this time of the year
 Looks like it's gonna be snowy weather
 How I wish that you could be here
 But it won't seem like Christmas, oh, without you
 Far too many miles are between

But if I get the one thing that I'm wishing for
 Then I'll see you tonight in my dreams
 In the distance I hear sleigh bells ringing
 The holly is so pretty this year
 And the carol that somebody's singing
 Reminds me of our Christmas last year
 But it won't seem like Christmas, oh, without you
 Far too many miles are between
 But if I get the one thing that I'm wishing for
 Then I'll see you tonight in my dreams
 Yes, then I'll see you tonight in my dreams
