

# Elvis Presley - It won't seem like Christmas (Without you)

Tom: A  
Intro: E Gbm Abm

Oh, it won't seem like Christmas, oh, without you  
 Far too many miles are between  
 But if I get the one thing I'm waiting for  
 Well then I'll see you tonight in my dreams  
 Seems a long time since we've been together  
 It was just about to this time of the year  
 Looks like it's gonna be snowy weather  
 How I wish that you could be here  
 But it won't seem like Christmas, oh, without you  
 Far too many miles are between

But if I get the one thing that I'm wishing for  
 Then I'll see you tonight in my dreams  
 In the distance I hear sleigh bells ringing  
 The holly is so pretty this year  
 And the carol that somebody's singing  
 Reminds me of our Christmas last year  
 But it won't seem like Christmas, oh, without you  
 Far too many miles are between  
 But if I get the one thing that I'm wishing for  
 Then I'll see you tonight in my dreams  
 Yes, then I'll see you tonight in my dreams
