

# Elvis Presley - Just Pretend

Tom: Eb

Just pretend, I'm holding you  
 And whispering things soft and low  
 And think of me, and how it's gonna be,  
 And just pretend I did n't go  
 When I walked away, I heard you say  
 If you need me, you know what to do  
 I knew it then, I'd be back again  
 Just pretend I'm right there with you  
  
 And I'll come flying to you, again  
 All the crying is through  
 Oh, I will hold you and love you again  
 Just pretend I'm right there with you

But until then, well just pretend

Oh, it's funny but I can't recall  
 The things we said or why you cried  
 But now I know it was wrong to go  
 I belong there by your side  
  
 Yes I'll come flying to you, again  
 All the crying is through  
 Oh, I will hold you and love you again  
 But until then, we'll just pretend  
 Oh, I will hold you and love you again  
 But until then, well just pretend
