

# Elvis Presley - Kiss Me Quick

Tom: Bb

Intro: Bb

Huumm, Kiss me quick, while we still have this feeling  
 Hold me close and never let me go

'Cause tomorrows can be so uncertain  
 Love can fly and leave just hurting  
 Kiss me quick because I love you so

Huumm, Kiss me quick and make my heart go crazy  
 Sigh that sigh and whisper oh so low

Tell me that tonight will last forever  
 Say that you will leave me never

Kiss me quick because I love you so

Let the band keep playing while we are swaying  
 Let's keep on praying that we'll never stop

Huumm, Kiss me quick just can't stand this waiting  
 'Cause your lips are lips I long to know

Oh that kiss will open heaven's door  
 And we'll stay there forevermore so

Kiss me quick because I love you so

Let the band keep playing while we are swaying  
 Let's keep on praying that we'll never stop

Huumm, Kiss me quick just can't stand this waiting  
 'Cause your lips are lips I long to know

Oh that kiss will open heaven's door  
 And we'll stay there forevermore so

Kiss me quick because I love you so

Kiss me quick because I love you so
