

Elvis Presley - Love Me, Love The Life I Lead

Tom: G

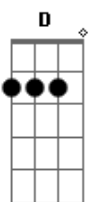

Love Me, Love the Life I Lead
 I Am not a wise man neither Am I a fool
 But what I Am the way the Good Lord made me
 Though I need you more than you may ever understand
 I Can't wear a face that will betray me
 Oh, If you're Gonna love me, love the life I lead
 Need the things I need, Don't try to Change me

Am C G D
 If you're Gonna take me, take me for what I Am
 D7 G7
 I Can't be another man, I Can't be free
 C
 From The life I lead, the life I lead
 Money in my pocket never seems to last too long
 I've Gambled on the way and Drowned my sorrows
 Though God knows I Can't pretend it's better on my own
 I Can't promise you a new tomorrow
 Oh, If you're Gonna love me, love the life I lead
 Need the things I need, Don't try to Change me
 If you're Gonna take me, take me for what I Am
 I Can't be another man, I Can't be free
 'Cos The life I lead is the life I lead
