

Elvis Presley - Loving Arms

Tom: A

If you could see me now
 D The one who said that she'd rather roam
 D The one who said she'd rather be alone
 D If you could only see me now

If I could hold you now
 D Just for a moment if I could really make you mine
 D Just for a while turn back the hands of time
 D If I could only hold you now
 D

I've been too long in the wind, too long in the rain
 Bm Takin' any comfort that I can
 D Lookin' back and longin' for the freedom of my chains
 Bm And lyin' in your loving arms again

If you could hear me now
 D Singin' somewhere through the lonely night
 D Dreaming of the arms that held me tight
 D If you could only hear me now
 A I can almost feel your loving arms again
 D
