

Elvis Presley - Mean Woman Blues

Tom: C

I got a woman, mean as she can be.

I got a woman, mean as she can be.

Sometimes I think, she's almost as mean as me.

A black cat up and died of fright,

Cause she crossed his path last night.

I got a woman, mean as she can be.

Sometimes I think, she's almost as mean as me.

She kiss so hard she bruise my lips.

Hurts so good my heart just flips.

I got a woman, mean as she can be.

Sometimes I think, she's almost as mean as me.

Instrumental:

C Primeira parte Bateria e Palmas - C7

Segunda parte Solo Guitarra F C G F C

The strangest gal I ever had.

Never happy 'less she's mad

I got a woman, mean as she can be.

Sometimes I think, she's almost as mean as me.

Instrumental:

C Primeira parte Bateria e Palmas - C7

Segunda parte Solo Guitarra F C G F C

She makes love without a smile.

Aww hot dog that drives me wild.

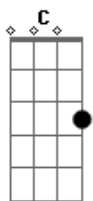

I got a woman, mean as she can be.

Sometimes I think, she's almost as mean as me.

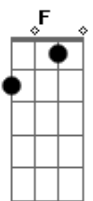

Sometimes I think, she's almost as mean as me.

Sometimes I think, she's almost as mean as me.
