Well, it's hard to be a gambler, bettin' on the number  
that changes ev'ry time. Well, you think you're gonna win  
Think she's givin' in a stranger's all you find.

Yeah, it's hard to figure out, what she's all about.

That she's a woman through and through.

She's a complicated lady, so color my baby moody blue.

Oh, Moody blue Tell me am I gettin' through.

I keep hangin' on, try to learn the song but I never do.

Oh, Moody blue, tell me who I'm talkin' to.

You're like the night and day and it's hard to say,

which one is you.

(Middleplay) F E D C B A G

Well, when Monday comes she's Tuesday, when Tuesday comes  
she's Wednesday,

Into another day again. Her personality unwinds Just like a  
ball of twine,

on a spool that never ends. Just when I think I know her well

her emotions reveal, she's not the person that I though I  
knew.

She's a complicated lady, so color my baby moody blue.

Oh, Moody blue Tell me am I gettin' through.

I keep hangin' on, try to learn the song but I never do.

Oh, Moody blue, tell me who I'm talkin' to.

You're like the night and day and it's hard to say,

which one is you.

Oh, Moody blue Tell me am I gettin' through.

I keep hangin' on, try to learn the song but I never do.

Oh, Moody blue, tell me who I'm talkin' to.

You're like the night and day and it's hard to say,

which one is you.

You're like the night and day and it's hard to say,

which one is you.
