

# Elvis Presley - My Baby

Tom: E

Yes my (E) baby left me, never said a word.  
 Was it (E) something I done, something that she heard?  
 My baby (A7) left me, my baby left me.  
 My baby (B7) even left me, never said a (E) word.

Now I (E) stand at my window, wring my hands and cry.  
 I hate to (E) lose that woman, hate to say goodbye.  
 You know she (A7) left me, yes, she left me.

My baby (B7) even left me, never said a (E) word.

Baby, (E) one of these mornings, Lord, it won't be long,  
 You'll (E) look for me and, Baby, and daddy he'll be gone.  
 You know you (A7) left me, you know you left me.  
 My baby (B7) even left me, never said a (E) word.

Now, I (E) stand at my window, wring my hands and moan.  
 All I (E) know is that the one I love is gone.  
 My baby (A7) left me, you know she left me.  
 My baby (B7) even left me, never said a (E) word.
