

Elvis Presley - My Happiness

Tom: C

C F
Evening shadows make me blue
C
When each weary day is through
C G7
How I long to be with you
C
My happiness

C F
Every day I bring from this
C
Dreaming of your tender kiss
C G7
Always thinking how I miss
C C7
My happiness

F

A million years it seems
C
Have gone by since we shared our dreams
G7
But I'll hold you again
D G7
There'll be no blue memories then

Whether skies are grey or blue
Any place on earth will do
Just as long as I'm with you
My happiness
A million years it seems
Have gone by since we shared our dreams
But I'll hold you again
There'll be no blue memories then

Whether skies are grey or blue
Any place on earth will do
Just as long as I'm with you
My happiness
