

Elvis Presley - My Way

tom:
Intro: C G
And now the end is near
And so I face the final curtain
My friend, I'll say it clear
I'll state my case, of which I'm certain
I've lived a life that's full
I traveled each and every highway
And more, much more than this, I did it my way
Regrets, I've had a few
But then again, too few to mention
I did what I had to do
And saw it through without exemption
I planned each charted course
Each careful step along the by way
And more, much more than this, I did it my way

Yes, there were times, I'm sure you knew
When I bit off more than I could chew
But through it all, when there was doubt
I ate it up, and spit it out
I faced it all, and I stood tall, and did it my way
I've loved, I've laughed and cried
I've had my fill, my share of losing
And now, as tears subside
I find it all so amusing
To think I did all that
And may I say, ?Not in a shy way?
Oh no, oh no, not me, I did it my way
For what is a man, what has he got
If not himself, then he has naught
To say the things he truly feels
And not the words of one who kneels
The record shows I took the blows, and did it my way
The record shows I took the blows, and did it my way

Acordes
